A screenshot of a mobile application interface. On the left, a white sidebar menu is open, displaying the following options: Transaction (in blue), POS, Card, Transfer, Pay, Profile, and Logout. The background of the app is dark grey. On the right, a table is visible with two columns: 'Amount' and 'Balance'. The table contains multiple rows of data, with the 'Balance' column showing values like 897.5, 892.5, and 887.5. A large, semi-transparent watermark 'Hafeez' is overlaid across the center of the screen. At the top of the screen, the status bar shows a Wi-Fi icon, signal strength, 91% battery, and the time 8:54 PM. At the bottom, there is a white navigation bar with three icons: a home icon, a square icon, and a back arrow icon.
